

“Hey Siri, Alexa, Google... make my home smarter!”

Home automation is not just for geeks anymore. It's now easier than ever to add a little more convenience, entertainment and security to your home – whether it's an apartment or house. To help you get started, we've collected some of our most popular smart home rewards below. They're affordable, easy to set up and simply fun!

11-inch iPad Pro Wi-Fi 128GB - Space Gray

Featuring the world's most advanced mobile display, the iPad Pro is so fast it outpaces most PC laptops available today. The 8-core graphics processor delivers fast and fluid performance for everything you do, from pro apps to controlling your HomeKit devices to graphics-intensive games and augmented reality experiences. The new Ultra Wide camera joins the Wide camera and a LiDAR Scanner. It's also fully compatible with the new Magic Keyboard and Apple Pencil.

Nest Learning Thermostat 3rd Gen

This beautifully designed stainless steel thermostat learns your household's habits to maintain comfortable temperatures day and night. It can magically reduce the temperature when no one is home, and use advanced sensors and algorithms to help cut up to 15% from your energy bills. The Nest Learning Thermostat will look great on your wall, is easily installed and works with 95% of all heating and cooling systems.

Lenovo - 10" Smart Display with White Front/Bamboo Back

Video or audio chat with friends and family on this stylish 10" smart display from your kitchen counter, coffee table or lounge shelf. The built-in Google Assistant makes it easy to control all your home's smart devices, play music or podcasts, set reminders and timers, and watch YouTube recipes in the kitchen. You can even listen to the latest news and weather reports, stream live radio and see your Google Photos library on the bright 10" screen.

Sonos One - Smart Speaker

Sonos One brings rich, room-filling music to any space, and you can use Google Assistant or Amazon Alexa to create your own daily soundtrack. Use your voice to control songs while you cook. Easily turn the volume up while you're in the shower (yes – it's humidity resistant!). You can even request a lullaby when putting the kids to bed. The compact Sonos One fits anywhere and easily connects to other Sonos speakers for home-filling sound.

Google Nest Protect Smart Smoke/ Carbon Monoxide Alarm

Nest Protect reliably detects and alerts you to the presence of smoke or dangerous carbon monoxide in your home. The alarm speaks to you in a calm, clear, human voice, telling you the location of the danger. It also provides smartphone alerts and battery status updates to help protect your home. This white, hardwired version is easily installed and suitable for homes with existing hardwired smoke alarms.

August Smart Lock and Connect

Take home security and peace of mind to the next level. With August you can now lock and unlock your door from anywhere and give secure digital keys to guests, all from your phone. All August Smart Locks attach to your existing deadbolt, on the inside of your door – so you can still use your keys. August automatically unlocks when you arrive and locks when you leave. Control your August Smart Lock with your voice using Amazon Alexa or the Google Assistant.
