

Turn stay-at-home into play-at-home.

It's easier than ever to upgrade your home entertainment experience with new 4k TVs, amazing surround sound speakers, better wifi ... and even delicious snacks! To help inspire you, we've collected just a few of our favorite entertainment rewards below.

Apple TV 4K 64GB

There's always something on with Apple TV. Watch stunning 4K HDR movies with Dolby Atmos 3D sound, stream your favourite TV shows with Apple TV+, Netflix or Amazon Prime Video, see live sports, and play amazing games - all from the comfort of your couch. Apple TV 4K features fast performance with the A10X Fusion chip, and the easy to use Siri Remote helps you search across all Apple TV apps with just your voice to find what you're looking for.

eero Pro Mesh WiFi Router (3-Pack)

This eero Pro Mesh WiFi Router spreads a fast reliable internet connection throughout your home. The Pro series is eero's fastest tri-band WiFi device for serious streaming, data-heavy work, and even competitive eSports. And the combination of three eero Pro Mesh Routers gives you a professional-grade, tri-band mesh system throughout an entire 6,000 square foot home.

LG 65" OLED TV

The OLED65BXP-UA is LG's most affordable 65" TV, delivering incredible OLED picture quality with high contrast, deeper black levels and wide viewing angles. It supports HDR10 and Dolby Vision image standards for video quality and Dolby Atmos 3D surround sound processing. With LG ThinQ AI voice control, you just speak directly into the remote's mic to operate your TV and compatible smart devices, and even access Google Assistant and Alexa.

Polk Audio MagniFi Mini Home Theater Sound Bar System

Want great sound in a small space? Amplify your home movie and TV experience with this ultra-compact Polk MagniFi Mini home theatre sound bar. Compatible with modern TVs, it's easy to set up and features Polk's Voice Adjust and surround sound technologies, ensuring crystal clear dialogue and immersive surround sound. There's even a wireless subwoofer you can place across the room, for deep bass impact you can feel.

Chromecast with Google TV - snow

Chromecast with Google TV makes it easier to find something great to watch by creating personal recommendations across all your subscription apps, and then bringing them all together into one place. Just plug it in, connect to your Wi-Fi, and start streaming. This latest Chromecast device is now faster, smarter and presents shows in up to 4K UHD and HDR picture quality.

Olive & Cocoa gift basket

Send a gift brimming with savory, salty and sweet goodies and give the whole crowd something to grin about. This handcrafted wooden crate is filled with pistachios, chocolate covered raisins, jumbo corn nuts, milk chocolate pretzels, Swedish fish, peanut brittle and gourmet trail mix, all elegantly wrapped and tied with a ribbon.
